Feast of the Presentation of our Lord or Candlemas

Candlemas is on February 2nd and marks the end of the Christmas season. During Candlemas, we commemorate the purification of Mary and the presentation of Jesus (the Great Light) in the Temple. This day is about the blessing of candles.

This month the students will be learning all about Candlemas and making their own special prayer candles during their art classes. During **mass on February 3rd and 4th** there will be a special blessing for the candles the students made. We encourage families to attend mass and bring the prayer candles to be blessed. This candle can be kept at home and lit during family prayer times. Others are also welcome to bring their own candles to be blessed

Note from Mrs. Kelsey

St. Philip families,

As many of you know, my family has been expecting a baby this year and it is almost time to meet him! The due date is February 5th! I wanted to share a little information with you all about how the school is going to operate while I am on maternity leave.

Mrs. Donna Folz has very kindly agreed to be the principal designee in my absence. She will be the contact person if there are any parent or student concerns, matters concerning discipline, emergencies, class schedule changes, and new enrollments. If you would need to contact her you may email her at dfolz@evdio.org or contact the main office.

Maddie Kunkler will also be taking on a few of my day to day tasks. I will still be periodically checking my emails but please do not expect an immediate response.

My current plan is to return the week after Spring Break. I will notify everyone if there is a change in that plan.

I am more than confident that our school will continue to thrive in my absence! I appreciate everyone's patience, flexibility and willingness to help out during this time!

Have a great day!

Mrs. Kellie Kelsey

WEATHER RELATED CANCELLATIONS OR DELAYS

- St. Philip School follows the decision of the Metropolitan School District of Mt. Vernon on school delays and cancellations.
- St. Philip families will receive an email and phone call from the school announcing a cancellation or delay.
- Most likely, in the event of a cancellation we will have an E-Learning Day. Please see the attached document for the E-Learning protocols.
 - [Click Here for E-Learning Protocols](#)
- If there is a 2 hour delay, there will be no morning preschool or Pre-K.

St. Philip School students and families,

This letter contains some important information about a revision to the 2023-2024 school calendar. As many of you may know there will be a Solar Eclipse that is projected to affect the Tri-State area on April 8, 2024. Due to the anticipated large crowds, possible traffic, and timing of the eclipse we have decided to change April 8, 2024 into a Virtual School Day. The eclipse is expected to start around 12:30 and last until after 3:00. Since it is not recommended that people be driving during the eclipse and that this event will be during dismissal time we've decided that a Virtual Day would be the safest option for our students and families.

We very much appreciate your understanding and flexibility. We hope that this event is a great learning experience for our students. The school will be providing the students with the recommended Solar Eclipse Glasses so they can view the eclipse safely from home. Please feel free to contact the school if you have any questions or concerns.

Many blessings,

Kellie Kelsey

Message from the Parish

Women's Bible Study

Meets every Sunday morning at St. Philip at 7:30am in the St. Valentine Room, lower level of the church. Contact Sarah Adams 812-303-6002.

Catechism in a Year group study as presented by Fr. Mike Schmitz podcast. Starting Tuesday, January 9, 2024 at 6:45pm in the St. Philip Room of the lower level of the church, and for every first Tuesday of the month thereafter. Participants will follow the Catechism in a Year podcast for each day. During our Tuesday's meeting we will listen to that day's podcast and then have the opportunity to discuss that day's reading and follow up on any topic from the other past month's podcasts with additional questions and answers.
